Purpose:

AtlantiCare is an equal opportunity employer. It is our policy and practice that all persons be treated without regard to protected classes under New Jersey and/or federal law, which include race, skin color, religion, gender, pregnancy, national origin, nationality, mental or physical disability, perceived disability, age, creed, ancestry, marital status, domestic partnership or civil union status, actual or perceived affectional or sexual orientation, gender identity or expression, atypical hereditary cellular or blood trait, genetic information, military service, or AIDS and HIV related illnesses. The foregoing are sometimes referred to as "legally protected classifications."

This policy of non-discrimination applies to all privileges and conditions of employment including recruitment, hiring, promotion, renewal of employment, rate of compensation, selection for training of apprenticeship, demotion, layoff, transfer, discharge, discipline, tenure or terms.

It is the policy of AtlantiCare to provide a work environment where we treat each other with respect, courtesy and professionalism so each of us can do our best work, and provide the safest, highest quality services to our patients and customers. AtlantiCare's goal is to provide a harassment free environment by utilizing our values, which provide a foundation for our interactions with each other. The policy is intended to define appropriate conduct for all employees, physicians, allied health professionals, contracted staff, students, volunteers and contracted staff.

Values:

Integrity

Our actions and decisions consistently reflect the highest ethical standards. We operate on the basis of openness, to nurture an environment of honesty and trust.

Respect

We treat each individual with dignity and compassion; encourage creativity and assist one another to achieve our fullest potential. We believe that each individual is equally important in a unique way.

Safety

Safety of patients, staff, visitors, contracted help, volunteers and students is our top priority. We continue to integrate new learning into quality improvement and safety management to all aspects of our care environment.

Service

We build our customer commitments upon the philosophy that quality and service will improve over time using a process of continuous quality improvement. We measure our performance against customers' standards and strive to exceed their expectations.
