PURPOSE:

The Scott E. Monk Scholarship Fund was established by the Trauma Center at AtlantiCare Regional Medical Center to honor the life and teachings of Dr. Scott Monk.

Dr. Monk, though only with AtlantiCare a short time, had a strong impact on the Trauma and Critical Care service, patient and family support, and most importantly, the new Trauma Resuscitation Area.

He was truly devoted to his colleagues, his patients and their families. This fund supports AtlantiCare employees and/or their dependents in their pursuit of a medical or nursing degree.
