# **AtlantiCare**

# **Two-Factor Authentication** Downloading Imprivata ID App

**Step One** Login to AtlantiCare Access (Citrix) remotely.

### **Step Two**

You will be prompted to enroll in Imprivata ID. You will need your smartphone to download the Imprivata ID app from the App Store or Google Play.

#### **Step Three**

Enter the serial number and token code from your smartphone when prompted. You do not have to allow Bluetooth Access.

Imprivata ID™	
<ol> <li>Install and open the Imprivata ID app on your smartphone.</li> </ol>	Pm
2. Allow Notifications, Location Services, and Bluetooth Access in the app.	$\bigcirc$
